**I wish to submit a public comment for the Hearing on
Certain Expiring Tax Provisions .**

***I respectfully urge Congress to extend the wind
energy production tax credit (PTC) as quickly as
possible.***

***The PTC drives billions of dollars in private investment
in homegrown American wind power each year. I have
seen the wind farm near my house revitalize my
community – bringing in construction jobs at first, and
maintenance jobs in the long term, and generating
revenue for our community schools and hospitals over
the lifetime of the project. Increasing the amount of
power that our country gets from clean, homegrown,
affordable resources is an excellent thing for us to do –
and this tax credit provides an incentive for the wind
industry to continue to do just that.***

***I urge the committee to take up an extension of the
wind energy production tax credit right away.***

Sincerely yours,

Nancy Carringer
